

The Window Glass Company (Bristol) Ltd Environmental Policy Statement

The Window Glass Company (Bristol) Ltd is an environmentally conscious Company and as such we acknowledge the potential environmental impact that our Manufacture of windows & window frames operations may have on the environment.

This policy has been endorsed by the Senior Management who give their full support to its implementation. The Senior Management in co-ordination with the Environmental Management Representative are responsible for ensuring that it is communicated, understood, implemented and maintained at all levels within the Company.

We are committed to the prevention of pollution and continual improvement of our environmental performance. This has been facilitated through the setting of environmental objectives based on our significant environmental aspects. These objectives will be documented, allocated targets and periodically monitored and reviewed through 'audit programmes'. The results of which are communicated throughout the Company and to our customers and contractors where appropriate.

As a Company, we are committed to ensuring that we: -

- Comply with all environmental legislation and other requirements, including, codes of practice and guidance produced by regulatory bodies and CHAS, SMAS & ISO9001, where these relate to our environmental aspects.
- Provide all employees with the necessary resources, equipment, information, instruction and training to fulfil the requirements of this policy, commensurate with their role.
- Work towards implementing an environmental management system that complies with the requirements of BS EN ISO 14001: 2015, as defined within the scope of our EMS.
- Strive to integrate environmental best practice into our business operations.
- Minimise waste to landfill by reducing our waste generation and by segregating and recycling waste where economically and operationally feasible.
- Co-ordinate deliveries and business mileage so as to maximise fuel efficiency.
- Use energy, water, materials and other natural resources as efficiently as possible, giving particular regard to the long term sustainability of consumable items.

This policy will be communicated to all employees and organisations working for or on our behalf. Employees and other organisations are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment.

This policy will be reviewed annually by the Senior Management and where deemed necessary will be amended and re-issued. Previous versions of this policy will be archived and are available upon request. This policy statement is brought to the attention of all employees by being displayed on site, induction training. It is also made available publicly through our website, reception areas or as may be reasonably requested by any interested party.

Our company values are defined and promoted throughout our business by the following Core Values statement:

Trust:	Promote an environment where confidence and truth prevail throughout the business.
Responsibility:	Have the maturity to take ownership for all that we do.
